

Please do not allow more conglomeration of of  
radio, television, or printed media. We are getting  
the poorest coverage of both local and international  
news events that we have ever experienced.

We would like to see a reversal in the conglomeration  
activity. In fact it would be in the best interests  
of our country to require the breakup of the large  
media corporations into smaller independent entities.

Yours truly,

Phil & Marian Meany
